RESERVE OF OFFICERS.

The attention of Reserve Officers is particularly directed to the following Regulation:—

An Army Reserve Officer shall report himself at the commencement of each year, in writing, to the Secretary of the War Office. Should he fail to do so he shall (unless he be an Officer retired from the Regular Forces with liability for further service in case of emergency) be removed from the Reserve of Officers at the end of the year in which he fails to report himself.

Reserve Officers reporting themselves in compliance with this Regulation, will, at the same time, furnish their addresses for the current year; and any subsequent change of address should be at once notified to the War Office.

(Officers whose names are printed in Italics are not available for Service with Regular Forces for Home Defence.)

(Officers marked thus † are voluntarily in the Reserves of Officers.)

A.O. 6, 1907.—Allowances for use of Private Motor Vehicles.

Officers and others using their own motor vehicles on public journeys may draw allowances at the rates and under the conditions detailed below:—

1. The allowances may be drawn in all cases where conveyance is admissible by the existing regulations provided that the charge is not more than it would have been if the journey had been made by ordinary means of conveyance.

2. In cases in which these allowances amount to more than the cost by ordinary means of conveyance, they may be drawn if approved by, or on behalf of, the general officer commanding, on either of the following grounds: (a) that the employment of the motor vehicle enabled duties to be carried out which could not have been satisfactorily performed by other means, e.g., staff rides; (b) that the gain in time consequent on the use of the motor vehicle justified the extra expense.

3. In cases under 2, the use of the motor car should, except under the most special circumstance, be approved prior to the employment at the public expense being incurred.

It is to be noted that as the rates are based on the size of the car, not on the number of persons carried on duty in it, the use of a larger car throws additional expense upon the public, and it will be the duty of general officers commanding to utilize in the case of journeys of one or two individuals a smaller car, when available, in preference to a larger one.

4. When a motor vehicle has to be brought from the officer's station to the point at which its employment on service is to commence, mileage rates will be admissible for this journey. In the cases of a motor bicycle or tricycle, actually conveyed by passenger train, the cost of such conveyance may be granted in lieu of mileage rates.

5. The rates will be as follows:—

(a) <i>Mileage.</i>										
Motor bicycle or tricycle	Per mile.
A motor car with two or three seats	1d.
A motor car with four or more seats	4d.
	6d.

(b.) *Storage.*

6. For every night on which an officer with his motor vehicle is necessarily absent on duty from his station, and on which the nightly rate of travelling allowance is admissible, an allowance will be granted for storage as follows:—

										s. d.
For a motor bicycle or tricycle	1 0
For a motor car, if the nightly travelling allowance for a chauffeur is claimed under paragraph 8	1 0
For a motor car, if a chauffeur is not taken	2 6

7. Travelling allowance for an officer using his own motor vehicle will be governed by the Allowance Regulations, except that the daily rate will not be admissible unless the period of necessary absence exceeds 7 hours.

8. Travelling allowance for a chauffeur, if taken, will be admissible at the rates laid down in paragraph 366 (f), Allowance Regulations, for officers' servants, subject to the exception in paragraph 7.

9. The above regulations will apply to warrant officers and soldiers so far as regards motor bicycles and tricycles, the claim being supported by a certificate signed on behalf of the general officer commanding that the use of the vehicle was required in the interests of the public service.

A.O. 7, 1907.—Establishments.

1. The establishments of the warrant and non-commissioned ranks, including paid lance appointments, of the various arms of the service, as well as those of miscellaneous institutions such as the School of Military Engineering, School of Gunnery, School of Musketry, &c., will be verified once a year (or oftener in cases where the chief accountant considers it desirable) in accordance with the following instructions.
 2. The actual strength of all Regular units will be checked with the Army Orders fixing the establishment by the accountant at the record office station.*
 3. The accountant charged with the duty of checking the establishment will himself determine on what date the establishment shall be checked, and will arrange that the periodical checks shall be made at irregular intervals.
 4. Having fixed the date, the accountant will call upon the officer in charge of records to furnish him with a nominal roll, in duplicate, of non-commissioned officers, arranged in detachable sections according to units, and showing the date of promotion. Should there be any excess in numbers over the authorised establishment, an explanation of the same will be attached to the nominal roll by the officer in charge of records, together with a statement showing what steps are being taken to absorb it.
 5. The accountant will then pass the duplicate sections of the roll to the accountants compiling the pay lists of the units, so that the names of the warrant and non-commissioned officers on pay may be compared with those on the roll, and any discrepancies brought to the notice of the officer commanding the unit.
- The duplicate sections, after comparison with the pay lists, will be returned to the accountant at the record office station, who will inform the chief accountant that all necessary action has been taken, and, if necessary, call his attention to any matter needing further correspondence.
6. The establishments of Imperial Yeomanry and Militia, including in each case the permanent staff, and of the permanent staff of Volunteer units, will be checked by the accountant to whom the pay list is rendered.
 7. The establishment of the West India Regiment will be checked by the accountant in Jamaica.
- The establishments of the other colonial corps and local companies abroad will, similarly, be checked by the accountants charged with the preparation of the pay lists.
8. The chief accountant will satisfy himself that the establishments are being checked, in accordance with these instructions, by the accountants in his command.
 9. No action is to be taken under these instructions in connection with the establishments of any unit serving on the Indian establishment.

A.O. 8, 1907.—Forage Allowance.

In accordance with paragraph 165 of the Allowance Regulations, it is notified that the following rates of money allowance in lieu of forage will be issued in the United Kingdom and the Channel Islands from 1st January, 1907, until further orders:—

6	Scottish Command	1 5
7	Southern Command	1 6
8	Western Command	1 6
9	Channel Islands	2 1

Army Order 100 of 1906 is cancelled.

A.O. 9, 1907.—Identity Discs—Regular Forces.

1. An identity disc (aluminium) fitted with a cord (42 inches in length) to be worn round the neck under the clothing has been approved for use on active service, in lieu of the description card (Army Form B 2067) hitherto in use.
2. Identity discs will be regarded as an article of kit and issued as such to serving soldiers and reservists on mobilisation. They will be stored by officers commanding units—
 - (a.) for serving soldiers at home and abroad.
 - (b.) for reservists who rejoin units direct.

For reservists who rejoin at depôts the discs will be stored with their necessities.

* In the infantry, the establishment of the home battalion and depôt, exclusive of lance appointments, will be taken together and treated as one whole, whilst the establishment of the battalions abroad will be checked independently. See paragraphs 761 to 764, King's Regulations.

In the cavalry each regiment will be checked independently, regard being had to the regulations in connection with the new cavalry organization, contained in Army Order 68 of 1905.

In the case of reservists belonging to a Cavalry regiment stationed abroad, these discs will be held by the officer commanding the affiliated regiment at home. When both regiments of a group are abroad, the discs of their servants, soldiers at home, and of their reservists, will be held by the officer commanding the provisional depot. When soldiers are transferred to the Army Reserve, their identity discs will be passed by the officer commanding their unit to the officer i/c records, who will forward each man's disc to the depot or unit which he will rejoin on mobilization.

Identity discs will be kept ready marked, shewing the soldier's number, rank, name, regiment, and religious denomination, as follows:—

(For design see the Army Orders as separately issued.)

The stamping will be carried out with "stamps steel, for metal $\frac{1}{4}$ inch," issuable under the Equipment Regulations as amended by Army Order 17 of 1907.

Indents should be at once put forward on the Army Ordnance Department for the stamps required to complete the revised scales.

On change of rank, a new disc will be marked. In the case of recruits, the allowance for marking the free kit will cover the cost of stamping the discs; in other cases a charge of a $\frac{1}{2}$ d. each will be allowed. Indents for discs and cords should be forwarded to the clothing depot supplying the district. The cord will be issued in bulk, cut into lengths of 42 inches, and stored with the discs.

OSBORNE, ISLE OF WIGHT.

convalescent Home for Officers of the Navy and Army presented to the Nation by His Majesty the King.

Osborne is open for the reception of convalescent officers of the Navy and Army. Officers will be received at Osborne on the recommendation of the Director-General of the Medical Department of their respective Services, to whom all applications for admission should be addressed.

As regards the Army, recommendations for admission or applications from officers themselves, whether on the home or foreign establishment, should be sent direct to the Director-General, Army Medical Service, 68, Victoria Street, S.W. A medical statement of the case could be enclosed.

The accommodation at Osborne, which will be divided equally between the two Services, will provide for 43 officers, 5 of whom may be accompanied by their wives. Children will not be allowed to live in Osborne.

The entire daily stoppage to be paid will be 2s. 6d. per diem for each officer or his wife.

Medical attendance is free; but in certain cases requiring massage, special nursing, or other special measures, a charge will be made to cover the cost.

The duration of the stay of officers at Osborne will be determined by the House Governor and Medical Superintendent and the Consultant on duty for the month, subject to the approval of the Director-General, Army Medical Service.

Retired officers of the Navy and Army are admitted into Osborne only under the following conditions:—

- a. If there is a vacant room at Osborne and there is no pressure for admission of officers on the Active List.
- b. That the disease or injury from which the officer is suffering is "directly attributable to the Service."
- c. That the officer has retired from the Service within five years from the date of the application for admission.
- d. That the Director-General of the Service concerned is the sole judge of the fitness of the case (medically) for admission.
